Trying to find an OTT that's right for you?
Fear not, you are at the perfect place!

Welcome to Find Your Binge!

Hi Akhil Jayan, here at Find Your Binge we will help you figure out which Over The Top platform is best suited for you. Our web-app will provide you with comparisons of the top OTT platforms in a visual way so that you can make some sense of these statistics. It also provides an indepth analysis of these OTTs and tell you how people feel about these platforms.

What we Provide?

Our web-app provides the following features:

The Dashboard

The dashboard will provide you a comparative study between the most popular OTT Platforms.

Detail Analysis

This page will provide a detailed analysis of the selected OTT platform in a visually interpretable manner.

OTT Recommender

This feature will recommend you an OTT platform according to your preferences.

Chatbot

The Chatbot will help you find the platform where your favourite series/movies are available and more!

People's Opinion

We are extracting real-time twitter feeds related to a given OTT and analysed them to get their sentiment analysis.

What's hot

This page will tell you the top series/movies which are trending on different OTT platforms and more!

Why use OTT over cable?

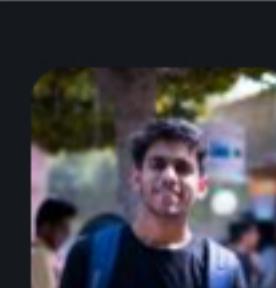

OTT platforms enable you to consume content in more places all at once not just on TV.

OTT services are also growing their original content libraries to help keep their platforms trendy and fresh.

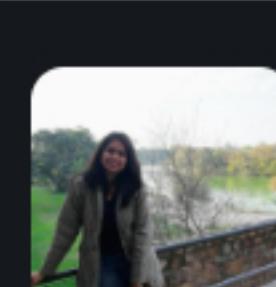

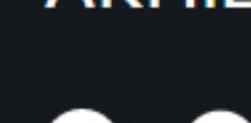

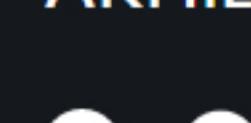

OTT platforms offer more options, for content you really want.

2020

2021

Some Insights:

- In 2019, the market was dominated by Big International Companies like Netflix, Prime Video and Disney+ Hotstar.
- But during COVID-19 pandemic, Indian OTTs like VOOT and MX player started to take over the market.
- Currently, these Indian OTTs have comparable share in SVOD(Subscription Video on Demand) market when compared to the International ones.
